UNDER NEW MANAGEMENT:

The ordering for the kitchen is a new responsibility for me and I am learning as I go! In order to have all the supplies needed for Wednesday night suppers and other church-wide events, the kitchen staff and I are asking that classes not get items from the kitchen to use for your classrooms. Please list anything your class might need from the kitchen on the whiteboard that is on the back wall in the kitchen. I will check this on Mondays and will order from here as necessary. When it comes in, it will be labeled with your class name. Please give ample time for shipping. I welcome any advice and any constructive criticism on how to make this work as smoothly as possible.

Christmas Baskets for Shut-Ins

It's that time again- SACO is planning Christmas baskets for our homebound members. Below are the items we'd like to include and are asking the Sunday School classes to help. This worked well last year- we had plenty for the baskets without a lot of duplication. If your class is not listed and you would like to participate, please see Debbie Houston.

CIA Class: Fruit

Moncrief Class: Hand Lotion and pocket sized tissues

Olive Branch Class: Devotional Books (Ollie's usually has a good selection of these) blank note cards with stamps

Truth Seekers: individual packs of crackers

Faith Builders Class: small bottled waters

Remnant/ SALT: Large print game or puzzle books with pens and pencils

Fellowship: Chap Stick and Small Calendars, Small Ornaments

If you are not connected with a Sunday school class and would like to help with this project, please bring individually wrapped candies, warm socks, peppermints.

We will be filling baskets for approximately 15 of our members. We need your items by December 11th. Thank you for your support and prayers for our home bound members.
